Bakers without Borders – the GAME

Become **CHANGEBAKERS!**

Bakers without Borders – the GAME

GAME 1

Play
THEATER OF CRUMBS

Better than high-TECH, a high-TOUCH adventure!

GAME 2

Build a
BREAD HOUSE

Build a real "company" – focus for all people!

(The inspiration for our choice of the word "company" comes from the Latin for "sharing bread", COM PANIS; and the inspiration for our choice of the word "focus" comes from the Latin for "fire", FOCO)

GAME 3

Become
BAKERS WITHOUT BORDERS

Heel on wheels!

(The play of words is that "heel", as the word for the end part of the bread, is pronounced the same as "to heal", or make well. And since in this game you will do a lot of travels, you will be "heeling" the world on wheels!)
