# PROJECT EVENTS

There were organized many interesting events in Bulgaria under the Project “Tastes of Danube: Bread, Wine, Herbs”.

## THE ROAD OF THE BREAD

On 8 June 2016 in Brushlen, Slivo Pole Municipality, an event “The Road of the Bread” was held under the project „Tasted of Danube: Bread, Wine, Herbs“ of the European Association Danube Networkers (DANET) with Frau Carmen Stadelhofer as President. All countries along the Danube take part in this Project.

The celebration was organised by the Union of Pensioners’ 2004 from Slivo Pole Municipality and the University of Ruse “Angel Kanchev”, under the patronage of the mayor, Mr. Valentin Atanasov and with the support of the municipality.

The event was opened by the President of the Union of Pensioners, Slivo Pole Municipality, Mrs. Veska Uzunova.

Guests of the event were the Governor of Ruse Region – Assoc. Prof. Stefko Burdjiev, PhD, the Mayor of Slivo Pole Municipality, Mr. Valentin Atanasov , the Chairperson of the Municipal Council of Slivo Pole – Mr. Sinan Veisal, the Vice Mayor of Slivo Pole Municipality – Mihail Chilikov, the Mayor of Brusglen – Mr. Dimcho Petrov, the Mayor of Babovo – Mr. Plamen Peikov, the Mayor of Ryahovo – Mr. Georgi Atanasov, the Coordinator of the Project for Bulgaria, representing the European Association Danube Networkers for Europe (DANET) and a lecturer at the University of Ruse - Assoc. Prof. Dr Emilia Velikova, the Regional Chairperson of the Union of Pensioners 2004 - Mr. Jordan Kazakov, the Executive Board of the Union of Pensioners'2004, all municipal chairpersons of the Union of Pensioners 2004 from Ruse Region, the Chairperson of the cooperative in Brushlen - Mr. Yordan Todorov, guests from Romania and Slivo Pole Municipality – Slivo Pole, Babovo, Ryahovo, Borisovo, Chereshovo, Golyamo Vranovo, etc.

The organisers gave us an unforgettable feast “The Road of the Bread”, which includes three Bulgarian traditions: sowing the wheat, cutting the beard of corn/ harvesting, kneading the first bread (round bun) and sharing with young people.

In her story, Mrs. Reni Koleva, a member of the Executive Board of the Union of Pensioners’2004, writes some beautiful lines ([http://pension-bg.org/hleb\\_vino.html](http://pension-bg.org/hleb_vino.html)):

The Pensioners’ clubs from Babovo, Ryahovo and Brushlen took us back to times immemorial and reminded us through rituals how the bread reaches our table.

... To sow good grain in the field, you have to get up at dawn – father and mother, young son and daughter-in-law start with some bread, cheese and onion in their shoulder bags. In the field, they break a small round loaf and put a piece on the ground for the Holy Mother, another piece for the birds, so the wheat grows high, a piece for the horse – the most faithful friend of the farmer, and a piece, which is taken back home – for prosperity in the family.

...The grain (limets) had been put in the ground. Singers from the very famous group “Brashlens’ Grandmothers”, who have won many international prizes, sing the song „Sow, farmer, sow, today is the day, throw good seeds in the ground...”

The singing reapers harvested grain when it was ready. Blessed it! They made a “beard” with red ribbon from the last wheat stalk. This beard was given to the owner of the field with a wish for health and good luck until the next year. He paid for the harvesting and also wished health and good luck.

The women turned the grain into flour and kneaded delicious buns.

With the biggest bun, one of the women performed the ritual „Breaking bread by the well” – for prosperity, for health for the whole family, for good luck of the maiden, looking for a husband. Other women came blessing, singing and walking around the well. For good luck of the beautiful maiden! They sang benediction to shepherds, sowers, reapers for rich harvest! To keep the storm away from the fields! To keep the hail away! God save our fields!

Thus, through songs and ritual wishes we were reminded us of forgotten age-old virtues and traditions.

Mrs. Reni Koleva concludes: “We were watching full of tenderness, taking pictures and trying to remember the event. To know and remember our ancestors’ heritage!”

All that we watched with emotions and delight happened in the park of the new tourist complex in Brushlen and was the result of the hard work of the pensioners’ clubs from Slivo Pole Municipality, led by the President Mrs. Veska Uzunova, the secretaries of the Cultural House of Babovo – Mrs. Pepa Stoyanova, Ryahovo - Mrs. Antoaneta Atanasova and Brushlen – Mrs. Maria Yordanova.

Mrs. Veska Uzunova gave the floor to the official guests to wish success to the international project of DANET.

Assoc. Prof. Stefko Burdjiev expressed his gratitude for the opportunity to go back to his childhood, when he would take part in such ritual with enthusiasm and love. „Such events support the preservation of Bulgarian traditions, the consolidation of our people as a nation and promoting the Bulgarian way of life. Our customs are the sign that will preserve our people in the present and in the future“, said the Governor. He addressed a special greeting to the participants from Slivo Pole Municipality for their courage to get involved in this international initiative and their creativity. At the end of his speech, the Governor handed a congratulatory address to Mr. Valentin Atanasov, Mayor of Slivo Pole Municipality, thanking him for the support in the implementation of the project.

The Mayor of Slivo Pole Municipality Mr. Valentin Atanasov declared that “The Road of the Bread”, organized under the project „Tasted of Danube: Bread, Wine, Herbs“, was very successful and it will become a tradition for the Slivo Pole Municipality. It will be organized every year with participation of people from all villages in the Municipality.

The participants were transported to Slivo Pole for a festive lunch, organised by the Mayor. Assoc. Prof. Emilia Velikova showed by multimedia all ritual procedures related to kneading and baking of the bread, as well as the activities under the project „Tasted of Danube: Bread, Wine, Herbs“ all over the country.

There was an exhibition of wine and bread products – bread in the shape of hedgehog, baskets with flowers and birds, banitsas, gyozeleme, dolangach, baklava, cookies, cakes, and other sweet breads.

A competent panel evaluated the exhibits. The creators of the delicious breads received certificates for the oldest, the most authentic and traditional product. All guests participated in a raffle, which allowed them to try the exhibits.

The organizers gave thankful letters for successful participation in the event “The Road of Bread”, organized under the Project „Tasted of Danube: Bread, Wine, Herbs“.

Newspapers, electronic media and the national television BTV 2 presented this event many times such as: Bryag, Utro, Ruse Topnovini, Arena Media, Ruse news, Ruse Info, Alfa Ruse, Ruse, Ruse Utre, etc.

[https://drive.google.com/file/d/0B3VmZGP5KKGvT09ITjI3M3FOYjQ/view?usp=drive\\_web](https://drive.google.com/file/d/0B3VmZGP5KKGvT09ITjI3M3FOYjQ/view?usp=drive_web)

Kozunak is a ritual bread which is part of Orthodox Easter celebrations. Kozunak is a type of sweet bread, which is made with milk and plenty of eggs. It has to meet the need for abundance on the table after the period of fasting.

Kozunak has appeared in Bulgaria in the end of the 19<sup>th</sup> century. The name was borrowed from Romanians, where it means “pastry with grapes”. But the Romanian word “cozonac” was borrowed from Greek language - the word “kuzunaki” means “bell”, referring to the shape of the ritual bread at that time.

## CHILDREN WITH SPECIAL NEEDS MAKE A BREAD

In May, Mrs. Mitka Georgieva, the coordinator of the Association Usmivka (Smile), organized a workshop in the town of Asenovgrad for children with special needs. The teachers use contemporary educational methods as making bread and bread products and telling stories to develop children' commination skills.

The mission of the Association Usmivka is to provide conditions and to give opportunities for development and realization of children, youth and adults by supporting their educational needs, regardless of their social status and origin.

Международния проект- Вкусовете на Дунава: хляб, вино, билки. В два дни, 07 и 08. 06.2016 г., в с. Бръшлен се възпроизведе пътя на хляба, който се е произвеждал в миналия век- засяването през есента, пожъването на житото през пролетта, овършаването и смилането му на брашно, и замесването от него кравай, който накрая се разчупва на кладенеца за здравето на населението на селото. Проведе се и конкурс за изделия от брашно, като част от тях възстановиха наименованията от миналия век.

### С празник на житото и хляба откриха жътвата в Новград

Първият празник на житото и хляба се проведе в село Новград. Проявата, която събра почти всички жители на населеното място, гости от съседни села, млади и стари, на централния площад премина под наслов „Никой не е по-голям от хляба“. Идеята на организаторите беше младите хора да се запознаят с трудния път на житното зърно до трапезата. Хлябът свързва всички хора, независимо от тяхното социално положение, народност, религия или съдба. Той съпровожда целия жизнен път на човека в делник и празник, при хубави и
